

NW AUTISM & SEND PRESENTS:

CHILD MENTAL HEALTH

Wednesday 29th April
9:30 - 3:30pm
(food & refreshments included)

1 day training for school & Pastoral staff

SPEAKERS:

Emma Griffiths BSC (Med) HONs Ursula Hodgson BA (HONs) Graham Ramsey LLB (HONs)

Emma is a specialist autism specific teacher with a vast experience of teaching children with a complex needs. A conference speaker and a consultant Emma is gaining momentum as a leading trainer in this much needed area. Emma has a wide knowledge on child mental health and how to put robust safety plans in place for schools to follow.

Ursula has been a Pastoral Deputy Headteacher in a large Secondary school and has led safeguarding and nurture interventions that has led to 'Outstanding' Ofsted Inspections and shares great insight into mental health developments in schools. Ursula is keen to support senior leaders in delivering the best pastoral support to their pupils and families.

Graham has had an interesting career as both as an Inspector within the police force and as special needs teacher. Graham is a lead speaker on adult mental health interventions in school staff but also has a wide experience in safeguarding and how to support resilience amongst within the education sector.
